## Swansea Knocking-on-Doors Fundraising Campaign

Donations to the 2265-79 Bloor W Development Fund

A **Team of your Swansea Neighbours** will be coming your way in the next three weeks. The objective is to knock on a **1 000 doors** and speak with you or your neighbours about making a donation to this important fund. All our **Team Swansea volunteers** will wear a **Save our Village** button and will share with you the detrimental impact of this development project on our neighbourhood.

This team of **10 Volunteers** will visit your home within the area from **Beresford, south to Ostend and west to Willard all south of Bloor**. If you do not live in this part of our neighbourhood, please consider donating to defray the cost of our lawyer, planner and traffic consultant. You can donate online or by cheque at:

**Online** - <http://saveourvillage.ca/participate/donate/> or [www.seanseratepayers.ca](http://www.seanseratepayers.ca)

**Cheque**- Made out to **The Swansea Area Ratepayers Association** (Memo Field notation: SOV-2265-79).

**Mail Cheques to:** Swansea Town Hall Box 103, 95 Lavinia Avenue, Toronto, Ontario M6S 3H9

Having already raised \$10,000 prior to Nov. 14, our goal is to reach a **total of \$40,000** that is required to fund the **January 6, 2015 hearing at the OMB** to ensure our community's input is heard on the Bloor/Durie Condo Development.

*We need to come together as a community and send a strong message that developers cannot ignore the input of residents, so please give generously. A \$200 donation will buy approximately 1-hour of our legal and planning professionals' time.*
